

COMPANY OVERVIEW

AID Home Improvement delivers comprehensive residential construction solutions—spanning seamless home additions, expert new-construction framing, tailored interior remodeling, and durable roofing installations. Their team of seasoned remodelers, project managers, and certified roofers works collaboratively to integrate additions with existing structures, frame good-bones new builds, revitalize kitchens, bathrooms, and living spaces, and enhance roofs for both structural integrity and curb appeal. Backed by over 30 years of regional expertise and strict adherence to Rhode Island and Massachusetts building codes, AID Home Improvement ensures every project is executed with precision, on schedule, and to the highest standards of craftsmanship and reliability.

TESTIMONIALS

"I recently chose AID Home Improvement for a major renovation project in my home, and I couldn't be happier with the outcome. The team's attention to detail, creativity, and professionalism was evident from day one. They worked closely with me to understand my vision and provided insightful suggestions that enhanced the final result. The project was completed on time, and the quality of their workmanship has transformed my living space beautifully. Every guest who visits can't help but compliment the new look. I am thoroughly impressed with AID Home Improvement and recommend them to anyone looking for exceptional home remodeling services."
